

Neighborhood House 2021

Highlights from July

Outing to Memory Grove

We have been trying to do more outings and give each client an opportunity to go on them. This time client took a little trip up to Memory grove where we walked around and learned about the statues and monuments located in the park.

Food and Nutrition Program

The food and nutrition program has been going on for a few weeks now and we had good feedback from clients that have been attending. They have enjoyed the cooking demonstrations and learning about food and healthy lifestyles. They have received handouts from their lessons and may come home with information and recipes.

Highlights from July

JuanCarlos in Person!

We have been having JuanCarlos instruct us in our music and movement groups for quite some time through zoom. He is now able to visit us in person twice a week at Neighborhood house. He always brings a lot of laughter and energy to everyone at the center.

Congratulations to Savanna for getting her TRT License

Savanna was also able to get her Therapeutic Recreational Technician license. We are that she has chosen to learn more about the Therapeutic recreation process and how to serve our clients better.
